

Cherrybrook Technical High School (チェリーブルック工科高校)受け入れ

On Apr.18(Thursday) to Apr.22(Monday), we accepted 10 students from Cherrybrook Technical High School in Sydney. They stayed at Kita High School students house and tried a Japanese School experience.

Exchange meeting

Kita high school students served as MCs and introduced each other's schools. At the end, we had an exciting dance performance.

Classroom Participation

Off-campus exchange

30 people, including current and former students, joined the event. They visited Satsuki and Mei's House from the famous Japanese animation movie *Totoro* and the Toyota Automobile Museum. Australia also has the "My Neighbor Totoro" movie and it is very famous. Time flew by as we took pictures and bought souvenirs. At the Toyota Museum, we were given an English-speaking guide to show us around the museum.
