

中国語講座

In the year 2019, July 10th and October 23th, we were taught Chinese by a Chinese teacher. In the first class, we practiced how to say the name of things and we were taught how to say our name in Chinese by teachers. Second classes, we practiced how to speak to be able to use in the shop and restaurant.

By comment of students

First class

I enjoyed. I think that I want learn more another language. I want try in spot.

Second class

I felt difficult to study Chinese than study English. Not only I use English but also I want use Chinese.
